HARVARD'S BAD SHOWING

DEFEATED COLUMBIA, BUT DEVELOPED MUCH WEAKNESS.

Cadets Held Princeton Down—Virginia Beaten by Indians—Cornell Scored Against Other Games.

CAMBRIDGE, Mass., Oct. 12.—Harvard beat Columbia, to-day, at football, 24 to 0, the largest score Harvard has made this season. It was the first game in ten years between the two colleges, and a close score was expected. The Columbia team came up to their expectations, but the Harvard eleven showed weakness which the coaches had not realized. Their defense was much weaker than at this time last year. Twice in the game the Columbia team seemed able to gain at will through Lawrence, the veteran tackle, while the Harvard backs gained only through occasional weak play of the Columbia line men. In punting, too, Ellis was inferior to Morley. The only encouraging part of the game was the way Sawin and Daly eluded the Columbia ends in receiving kicks and made long dodging runs down the field. The game was fiercely played from the very start. The lineup—

Cadets Held Princeton Down. ANNAPOLIS, Oct. 12.—The Naval Cadets were defeated by Princeton to-day by a score of 5 to 0. In the first half the cadets kicked off and Vanuren ran the ball for ten yards. The Princeton players, making heavy gains through the left end of the cadets' line, brought the ball within five yards of the cadet goal. Here, through hard work by the cadets, Princeton lost the ball on a twenty-five-yard line and Freyer again punted. Time was called near the middle of the field, with the ball in Princeton's possession. In the second half Princeton kicked off and Fowler brought the ball back for fifteen yards. Freyer again punted down the field. In this half Hodgman, running from the middle of the field to the cadets' three-yard line, while the cadets waited for the ball to roll behind the line, fell on it. McClure was then sent through the line for a touchdown. Mattis failed at goal.

Carlisle Took One from Virginia. WASHINGTON, Oct. 12.—The Carlisle Indians defeated the University of Virginia eleven at National Park to-day by the score of 15 to 2. The ground was too muddy for good play, and the handling of punts was made difficult by the wet ball. The Indians were slightly heavier than the Virginians and carried the game with a Virginia's defensive tactics improved as the game progressed, and Walker, the university right tackle, was a tower of strength, at times throwing the entire Indian line. The Indians made a touchdown soon after the game began, but the Virginians grew steady and it was only by the strength of the Indian rush line that the goal was won. In the second half the Indians scored a touchdown, but failed

to kick goal, but soon after kicked goal from the field.

Poor Game on Franklin Field. PHILADELPHIA, Oct. 12.—Pennsylvania defeated Brown on Franklin field this afternoon in halves of twenty-five minutes each by the score of 12 to 0. Both of Pennsylvania's touchdowns were scored in the first half. In the second half the play was slow and distressingly tiresome. In this half there was wretched fumbling by both halves, due partially to the wet ball, and in less than five minutes the ball changed hands four times.

Dartmouth Defeated by Yale. NEWTON, Mass., Oct. 12.—Yale defeated Dartmouth 17 to 0 this afternoon at Newton Center, in a hard-fought contest. The game was witnessed by nearly four thousand persons and was one of the best played in this vicinity this season. Dartmouth played a pretty game, and contested every point. The Harvard men were by far the lighter team, and Yale was able to leap through their line time and again.

Secured Against Cornell. ITHACA, N. Y., Oct. 12.—Washington and Jefferson succeeded in scoring against Cornell to-day, by a deep kick over the goal, made by Gessler, but the Cornell team won the game by a score of 16 to 5. The visitors did not put up the form of Cornell, and their point was made as a sort of final rally against the weight that kept them from making a touchdown.

Chicago-Minneapolis Tie. MINNEAPOLIS, Oct. 12.—Six to six is the story of the battle between Chicago and Minneapolis "varsity" teams on Northrup Field to-day. The Maroons were saved from defeat only by the sensational twenty-five-yard run of "Jimmie" Henry around right end in the last minute of play.

Long Mourned as Dead, but is Alive. WATERLOO, Ia., Oct. 12.—William H. Tutthill, mourned as dead since Oct. 28, 1893, is said to have been located at the Soldiers' Home in California. Tutthill formerly lived at New Albion, Ia., where he became a member of the O. A. U. of Iowa. He disappeared at Ottawa, Kan., and several years later his wife, Harriet A. Tutthill, of Dubuque, brought suit to recover on a \$2000 policy held in the order. The case was tried twice in the Circuit Court, this county, and is now pending in the Supreme Court. Tutthill was located. It is alleged, by an application his wife made for a pension. A search of the records has revealed that a person of the same name, company and regiment is now in the Soldiers' Home of California.

A DEFEAT FOR BUTLER

THE FRANKLIN MEN TOO HEAVY FOR THE IRVINGTONITES.

A Score of 17 to 0 at Washington Park—L. H. S. Defeats Louisville High School.

The Butler University football eleven went down in ignominious defeat before the Franklin College team on the Washington Park gridiron yesterday afternoon by a score of 17 to 0. The day was excellent for the game, with the exception of being a trifle too warm. The field is the best ever laid out in Indianapolis, and the view from the bleachers and grand stand is unexcelled. There are no rough places on the ground, or ruts in which the players might stumble or trip. The playing field is laid out from the best bleachers to the score board, part of it covering the diamond. There was a fair-sized crowd of Butler students and a small delegation from Franklin, and before the game the two factions gave their college yells. The Butler yells, however, grew very weak as the game progressed, and the visiting team went through the Butler line like a battering ram.

The Butler team was considerably weaker than its opponents, as Franklin averaged fifty-five pounds heavier in the line and back of it. When the Franklin players went to the field they presented a formidable appearance, but Coach Kottel, who was in the Butler aggregation, hoped his men would be able to hold the heavier team down to a very small score, and also be able to score on the visitors. In this, however, Butler was unsuccessful. The team was weak in many places and showed that it is sadly in need of more training, this being the first game of the season. The men did not put the heart into the playing that they should have displayed, and for this reason they were unable to make a stand against the desperate rushes and end plays of the visitors.

ERRATIC PLAYERS. The Butler boys were erratic, making good plays, and then falling completely down on attempts at other gains when the play was in their favor. They tumbled and failed to give the required interference on end plays, while the Franklin backs were ably assisted by the work of their team mates. But even Franklin did not display a clever exhibition, and had the team held up against another equal strength the Franklin boys would no doubt have met defeat. Anthony, Chadwick, Butler and Mehling played the best ball for Butler.

On the toss Butler won, taking the west goal and giving Franklin the ball. Wagner kicked to the fifteen-yard line, and Anthony, of Butler, returned the ball ten yards before he was tackled. Butler then showed a little speed in line plays and gained fifteen yards on a series of plays. The first large gain was made by Mehling when he broke through the line and advanced the oval twenty yards before he was downed. The Franklin boys then stood their ground well and won the ball on downs. The heavier team worked mass plays with good effect and gradually carried the ball back into Butler's territory. Wagner's green sweater could be seen several times skirting the ends for good gains, while Stout and Pritchard also advanced the ball. By this time the ball was within three yards of the Butler goal, and Franklin lined up for a final struggle. The oval was passed to Hanley, and he went through for a touchdown, but an off-side play was called and the pigskin was carried the thirty-yard line and given to Butler, where it was punted to the middle field, where Stout caught the oval, and before he could make much of a return he was successfully tackled. Franklin failed to make the necessary five yards and lost the ball on downs.

With Butler again in possession of the pigskin, Mehling made a brilliant play, which consisted of a series of short gains, who darted through the line with Mehling in his wake, and the latter carried the ball fifteen yards. A few short gains were made, but the Butler boys advanced it to the thirty-yard line and gave it to Butler, where it was punted to the middle field, where Stout caught the oval, and before he could make much of a return he was successfully tackled. Franklin failed to make the necessary five yards and lost the ball on downs.

GOLF CHAMPIONSHIP. Harry Miller, of Terre Haute, and Mrs. New the Winners.

Harry Miller, of Terre Haute, won the state golf championship at the Country Club links yesterday afternoon, defeating Burford, of Indianapolis, after the latter had won the morning play over the eighteen-hole course. The play in the morning was witnessed by quite a number of golf enthusiasts, and Burford and Miller played a very exciting game, Burford winning by a score of one up. In the afternoon, however, Miller improved in his play and won the last round from Burford. The match was not decided until the last green, and Miller won, two up, and was announced the state champion.

In the finals for the ladies' championship, which was held at the Country Club, Mrs. New and Mrs. Howland, the former won in an exciting game by a score of three up and one to play.

VARDON AGAIN BEATEN. Champion Loses to Nicholls, but Beats the Winner's Medal Play.

NEWTON, Mass., Oct. 12.—For the second time during his stay in this country, Harry Vardon, winner of the United States open championship, was defeated by Bernard Nicholls, this afternoon, on the Iracoon links at West Newton. Nicholls was one up on Vardon at the close of the morning play and managed to keep ahead or even with the opponent during the remainder of the day.

The result of the match was a great surprise, as was anticipated that Vardon would win by a good margin. His driving was, as usual, phenomenal, but Nicholls was a trifle stronger on the short game which, with the short course, gave him a slight advantage. Singularly enough Vardon's medal score was one stroke better than Nicholls', yet he lost on match play.

A Long-Distance Rider. NEW YORK, Oct. 12.—Miss Gast completed the sixteenth century of her 2,000-mile bicycle ride at 4:25 this afternoon, and at 8:20 was on her 1,600th mile. Secretary Gage in New York. NEW YORK, Oct. 12.—Lynman J. Gage, secretary of the treasury, was at the subway to-day. He came from Bridgeport, Conn., where he spoke at a Republican meeting last night. His visit here has no significance, he said. He wanted to see the plan for the new vaults in the basement of the treasury and talk over currency matters with Deputy Assistant Treasurer Muhlenberg. Regarding the financial situation generally he had nothing to say. He said there was no danger of a money stringency, and referred to the coming gold imports as proof of this statement.

In the early part of the game, and the Kentuckians carried the ball down the field with lightning-like speed, but the Indiana players along as if they were infants.

A touchdown was made by McDonald and Atkinson failed to kick goal. Indianapolis then braced up and resorted to end plays against the opponent. The Indiana backs buck against repeatedly. After the Indianapolis kicked off the Hoosiers regained the ball almost immediately on downs and soon pushed Clark over the line for a touchdown and Hall kicked goal. The first half ended 8 to 5 in favor of Indianapolis, with Indianapolis in possession of the ball near the Louisville goal.

In the second half the playing of the Indianapolis team showed superior character and work and by steady gains and clever work the Hoosiers gained ground rapidly and Clark scored another touchdown. The first kicking goal. Time was called with Indianapolis in possession of the ball on Louisville's ten-yard line. The teams lined up as follows:

Indianapolis.	Position.	Louisville.
W. Dean (Capt.)	Right tackle	Ryan (Capt.)

Gibbs	Right guard	Rowell
Spencer	Center	Sale
Hacker	Left guard	Epstein

NEW RUNNING RECORD. MUNICIPAL HANDICAP AT MORRIS PARK WON BY ETHELBERT.

Five and Three-Quarters Over the Mile Covered in 2:58 1/2—Results at Other Race Tracks.

NEW YORK, Oct. 12.—Ethelbert won the Municipal handicap at Morris Park, to-day, by a head, from Imp, in the record time of 2:58 1/2. The race was at one mile and three-quarters over the hill and five horses faced the starter. Ethelbert was favorite at 7 to 5, with Jack Point second choice. Imp was held at 4 to 1, with Pink Coat and Maid of Harlem the outsiders. They were sent off on the first break to a good start, with Jack Point in front, but Burns quickly took Imp out in her favorite place and led past the grand stand the first time, with Jack Point, Pink Coat, Ethelbert and Maid of Harlem following in the order named, and well bunched. Imp drew away rounding the first turn and showed the way up the back stretch by a length and a half. She ran the six furlongs in 1:15 2/5 and the mile in 1:42. At this point Pink Coat dropped back beaten and Ethelbert moved into second place, a length before Jack Point. Rounding the far turn Imp drew even further away and led into the stretch by two lengths. On sent Ethelbert after her, however, and from there home it was a duel between the two. At the last furlong pole Ethelbert had moved up on even terms with the black whirlwind, and heads only separated them to the wire. Imp responded gamely under Burns' vigorous ride, but Ethelbert had the most in reserve and won handily, without the use of whip or spur. Maid of Harlem closed strong and was third, six lengths behind Imp and five lengths before Jack Point, while Pink Coat was beaten off. All through the stretch the big holiday crowd cheered the struggling horses and both got an ovation when they crossed the wire.

PUT UP A RAGGED GAME

PURDUE AND DE PAUW MADE A VERY POOR SHOWING.

Former Won, Latter Scored—Hanover Buried Louisville—Rose Polytechnic Defeated Washash Easily.

Special to the Indianapolis Journal. LAFAYETTE, Ind., Oct. 12.—De Pauw players are jubilant to-night over scoring against Purdue to-day in a game which was full of poor plays. Coach Jamison and Captain Robertson decided, in view of the game a week hence with Michigan, to put in the scrub eleven in the first half. The result was a very poor showing on the part of the visitors, who worked Purdue's weak left end for all it was worth. The game started with Purdue's kick-off, which was poor, and was followed by a fumble in which McCann got the ball and scored for Purdue inside of thirty-eight seconds. This enthused the crowd, and inside of eight minutes another touchdown and goal had been scored. Peterson, after a series of ineffectual efforts, in which there was considerable slugging, made De Pauw's touchdown, but the visitors failed at goal. Peterson made most of the long gains and was the star among the visitors, playing every being a close second in excellent tackling. De Pauw was within four feet of a second touchdown when time was called, score, 11 to 5.

In the second half the "Varsity" team, except Robertson, who came in later, was substituted, but the work was characterized by most of the play. Fumbles were frequent, and the kick-off and punting were not nearly up to the usual standard. Johnson, Robertson, McCoy and Leslie scored the touchdowns, and Robertson made two goal kicks. Galbraith played a strong game, while in the left half back, and the tackling of Spades at left end was one of the good features of the play. Purdue, despite its poor playing, was too strong for the Methodists. Total score, 23 to 0. Umpire, Taylor. Referee, Hogg. The lineup—

Herb Smith, for the High School, carried the ball ninety-five yards from the kick-off, and it was scored on the next play, the goal being made less than two minutes after the opposing team had kicked. De Pauw also made an eighty-five-yard run, and some fine work was shown by the Muncie schoolboys. It was the first game for this university, and they showed good material for future work.
